Sir

Upwards of a year ago I had the honor to address you on the subject of the transfer of this Estate to the Kadur District - this I did as I heard it was in contemplation to add the whole neighbourhood as far as the Woldenbetta to the Mudgere Taluk as one glance at the Revenue Survey Map obviously shows should be the natural division. Pending the settlement of the question I beg that a special exception may be made in my favour

and that I may be allowed
to transact any business
connected with this Estate
in the Nadur District. I have
twice within the last month
been compelled to go to Nasra
a distance of nearly fifty
miles in a most trivial case
which might as easily have
been settled in Sundgere which
is only five miles away.

Proceedings of the Dewan to His Highness the Maha Raja of Mysore, (General),—dated 16th October 1882.

READ—

Letter No. 293 of the 31st August 1882 from the Deputy Commissioner of Kadur, reporting on the adjustment of Taluk and District boundaries of the Kadur District.

Memo of Villages to be transferred from one Taluk to another consequent on the proposed modifications of the boundaries of the Taluks in the Kadur District.

A. I entirely concur with the Deputy Commissioner of Shimoga in the proposal to transfer the villages of the Ubrani hobli in the north of the Tarikere Taluk to Channagiri from which they are only from 6 to 12 miles distant, their distance from present Head-quarters being from 12 to 25 miles.

Tarikere Taluk.

B. I would propose to transfer 20 villages lying to the east of the Taluk to Hosdurga, their distance from Hosdurga being 10 to 14 miles, from *Holalkere 17 to 21 miles and from Tarikere 22 to 28 miles.

C. A strip of country to the east of the taluk including Kankatte, Banavar, &c. to be transferred to the Haranhalli Taluk as being nearer to the newly made Head-quarters at Arsikere, the distance from Arsikere being 5 to 12 miles and from Kadur 20 miles.

Banavar Taluk.

D. The group of villages around Jamgal is to be added to Belur to which they are near distance from Belur, about 16 to 20 miles by *road*. Distance from Kadur about 20 to 24 miles.

E. The 4 villages to the north of the stream Vedavati to be transferred to Hosdurga whence they are from 8 to 15 miles, whilst from Kadur they are 18 to 25 miles and from Holalkere, the proposed Head-quarters of the Hosdurga Taluk, 25 to 32 miles.

F. The villages comprised in this group are to be transferred to Belur to which they are nearer in distance, in order that the Kudlur channel with the villages attached to it may be in one taluk. Distance from Belur 3 to 6 miles and from Chikmagalur 8 to 11 miles.

Chikmagalur Taluk.

G. The villages of the Advalli magani to the west of the river Bhadra are to be transferred to the Koppa Taluk. Distance from Chikmagalur 22 to 34 miles and from Koppa 14 to 26 miles.

H. Sakrepatna and the adjoining villages together with the Aiyankere tank to be transferred to Kadur. Distance from Kadur 10 to 13 miles and from Chikmagalur 13 to 16 miles.

I. The villages of Aldur magani should be transferred to the Chikmagalur Taluk, although the change will not be a gain to the villagers in point of distance, yet they are desirous of it. The Chikmagalur Taluk officials who have to travel frequently to Kandya and back would be much inconvenienced by not having Aldur which is situated midway attached to their taluk.

Múdgere Taluk.

J. The villages comprised in this group to be transferred to Belur to which they were attached prior to the formation of the Múdgere Taluk. Distance from Belur 4½ to 12 miles and from Múdgere 8½ to 16 miles.

K. The villages comprised in this tract are recommended to be transferred from Manjarabad to Múdgere at the earnest request of Mr. R. C. Sanderson. This transfer has formed the subject of correspondence between this Office and the Superintendent of Survey for some time past (a copy thereof is enclosed for information). Distance from Múdgere 5 to 12 miles and from Saklespur 15 to 22 miles.

L. The strip to the north of the river Bhadra to be transferred to the Shimoga Taluk from which they are from 15 to 23 miles distant, whilst from Koppa they are from 22 to 30 miles distant.

Lakvalli Taluk.

M. The villages to the east of Bhadra to be transferred to Tarikere. The village of Danda bittahara and the coffee estates attached to it are comprised in this group as the ryots and coolies get their supplies from the Tarikere market and coffee is exported from that place.

N. This group forms what is called the Jagar valley inclusive of Sirvase, &c. It is proposed to add it to Chikmagalur. Most of the planters there live in the town of Chikmagalur, while some draw their supplies from here. Distance from Chikmagalur 10 to 28 miles and from Koppa 15 to 33 miles.

O. The rest of the present Lakvalli Taluk including the Head-quarters of Yedahalli to the west of Bhadra to be attached to Koppa.

* The proposed Head-quarters of the Hosdurga Taluk.

Proceedings of the Dewan to His Highness the Maha Raja of Mysore, (General),—dated 16th October 1882.

CAMP No. 7. A, DATED MYSORE, 16TH OCTOBER, 1882.

ORDER THEREON.—In this District the separate Taluk of Lakvalli will be abolished and absorbed in the 4 neighbouring Taluks of Shimoga, Koppa, Tarikere and Chikmagalur as explained further on. The Munsiff's Court at Kadur will be transferred to Yedahalli having jurisdiction over the Koppa and Tarikere Taluks as newly formed, and the Taluk Cutcherry of the Banavar Taluk will be transferred to Kadur, the Taluk being hereafter called the Kadur Taluk.

A. 2. The proposed transfer of 51 villages of the Ubrani hobli from the Tarikere to the Channagiri Taluk in which the Deputy Commissioners of both the Kadur and Shimoga Districts concur, is sanctioned.

B. 3. With regard to the proposed transfer of 20 villages at the east end of the Tarikere Taluk to the new Holalkere Taluk, their connection with an important station like Tarikere, and one too to which Railway facilities may hereafter be extended, may be preferred by the villagers to their addition to a remote Taluk kasaba like Holalkere, although the latter is somewhat nearer to them. The position of any hills which may intervene between these villages and the Hosdurga Taluk has also to be taken into consideration. The Deputy Commissioner is therefore requested to consult the wishes of the villagers and carry out the transfer only if agreeable to them.

C. 4. The transfer of the southern portion of the Banavar Taluk, including Banavar, to the Arsikere Taluk, is sanctioned. It is however understood from the Deputy Commissioner of Hassan that in the arrangement proposed certain Shanbhogs' charges will be split up. This should be avoided if the villages of the Shanbhog's charge adjoin each other and arrangement should be made in communication with the Deputy Commissioner of Hassan for the transfer of the entire Shanbhog's charge in each case where the villages adjoin.

D. 5. The group of villages about Jamgal will also be more conveniently transferred to the Arsikere Taluk which will have the advantages of the Railway than to a corner Taluk like Belur. Perhaps there may be a village or two of this group about Dodgutta which may require to be added to Belur to make the boundary of that Taluk straight.

E. 6. The four north-eastern villages of the Banavar Taluk, on the north of the Vedavati river, proposed to be transferred to Holalkere, will better remain in the Kadur Taluk, especially as the new kasaba at Kadur will be much nearer to them than Holalkere.

In order to reduce the size of the Tarikere Taluk, which will receive a large addition on the Lakvalli side, it may be arranged to transfer all the villages of that Taluk situated to the east and south of the road leading from Birur to Ajjampur and thence to Hosdurga to the Kadur Taluk. In making the transfer, of course, the villages immediately adjoining the road on the other side should also be included and any further villages which may be necessary to avoid the splitting up of small Shanbhogs' charges.

F. 7. The transfer of the villages proposed in this list from Chikmagalur to Belur is sanctioned. Considering the very large area of the Chikmagalur Taluk, it will be worth consideration whether all the villages in that Taluk up to Magadi on the road from Belur to Chikmagalur from whence a minor road to Jamgal branches off and from Magadi within a line to the south-west corner of Sakrepatna group of villages may not also be transferred to Belur in order to make that extremely small Taluk a little more respectable in size whilst affording a necessary relief to the Chikmagalur Taluk. The rule about not splitting up small Shanbhog's charges should be adhered to.

8. The proposed transfer from Chikmagalur of the villages of the Advalli magani to the west of the river Bhadra in List G to the Koppa Taluk, and of the villages about Sakrepatna inclusive of the Aiyankere Tank in List H to the Kadur Taluk, is sanctioned.

G & H.

9. From the Múdgere Taluk the villages of the Aldur magani in List I will be added to Chikmagalur and those about Melpal in List J to the Belur Taluk. It will be a question for consideration whether the small Taluk of Múdgere further reduced as above should not be converted into a Deputy Amildar's charge, the villages on the other side of the Bhadra being added to Koppa; but the necessity for retaining a Treasury at Múdgere for the convenience of the planters would require the Taluk being kept up though with a reduced scale of clerical and other establishments.

I & J.

10. The transfer from Manjarabad to Múdgere of the villages in List K, which are much nearer to the latter than Saklespur, is sanctioned.

K.

11. Of the abolished Taluk of Lakvalli, the villages on the north of the Bhadra in List L may be added on to the Shimoga Taluk, those in List M to the east of the Bhadra to the Tarikere Taluk, those in List O to the west of the Bhadra to Koppa, and those in List N consisting of the Jagar valley to Chikmagalur.

L, M, N & O.

12. These transfers should at once be carried out by the Deputy Commissioner in communication with the Survey Superintendent and the other Deputy Commissioners concerned, the list of villages being revised where found necessary to avoid the splitting up of small Shanbhogs' charges, and a complete and accurate villagevar list of the several transfers made should be submitted not later than the 10th November for publication in the Gazette in order to facilitate the amalgamation of the Districts which is now under contemplation.

13. Measures should be taken for the removal of the Head-quarters of the Koppa Taluk to Koppa, and the kasaba of the Kadur Taluk may be transferred to Kadur as soon as the Munsiff's Court there is removed to Yedahalli. A first class Police Station should be maintained at Yedahalli and also on the Agumbe road on the other side of the Tungabhadra river.

Sir,

With reference to a report called for by Mr. Ananda Rao when acting as Deputy Commissioner and to the petition from Uggihalli praying for the retransfer of the villages of the Magani to the Manjarabad Taluk, I have the honor to state that hearing when I was in Mudgere in February last that there was a good deal of discontent in this Magani, I summoned all the Patels to meet me and had a long talk with them.

+ enclosed.

They

they admitted that their Magani was much nearer to Mudgere than Sakleshpur but said that since there was a river between, which is true, and that since their fathers and forefathers had always gone to Sakleshpur, they did not like the change.

2. As they seemed to wish for the retransfer I promised to address Government about it telling them that Government was only desirous to make them contented and prosperous.

3. I have heard nothing more from the villagers since, and the Amildar has since informed me that the Petition was got up through the influence of the big Patel of Uggihalli. However as I promised I now bring the matter to notice. I have certainly no objection to the change, but the Planters in Kanachur, Angadi, &c are, it is fair to state, opposed to the retransfer as Mudgere is so much more convenient for them.

4. M. Ananda Rao also recommends* that the village of Kasavanahalli in the Kadur Taluk should be included in the Arsikere Taluk - this, I am of opinion, is most desirable as two of the three villages of this Shanbog's Firka have already been transferred to Arsikere, and I cannot understand how this one was omitted from the list as it is included within the red line of the villages transferred.
